The theme of the Exhibition was devised by Ian Cox. With helicopters and helipads, closed off causeways and lifts, and private, direct-to-suite elevators, the nouveau elite - usually representative of the FIRE finance, insurance, real estate industries - can practically live their lives detached from the comings and goings of the underclasses tooling in the spaces beneath.

## **Somebodys Luggage**

The conception of the perfect man whose single virtue exceeds that of all other men put together, and who therefore has a natural right to rule, is even more extravagant than the rule of philosophers in the Republic of Plato.
