Territory, Migration and the Evolution of the International System

That the solution of this prime question of political philosophy must be pregnant with interest and high practical importance is sufficiently evident; and if we compare the most remarkable political constitutions with each other, and with the opinions of the most eminent philosophers, we shall, with reason, be surprised to find it so insufficiently discussed and vaguely answered; and agree, that any attempt to prosecute the inquiry with more success, is far from being a vain and superfluous labour. Superb Blog.

The Proximity of Stars

I found this promise to be very reassuring as I began my service as chaplain of the Senate, confident that God would choreograph my new vocational journey, just as he would guide the steps of the legislators I now served - if we would but acknowledge his sovereignty.
