Right away I fell in love with the writing style of this book.

The KISS Theory: Delivering Constructive Feedback: Keep It Strategically Simple A simple approach to personal and professional evolution.

This toolbox will be developed in close collaboration with our partners from the Karlsruhe Institute of Technology KITthe University of Hamburg and be applied in pilot projects with industrial partners like Areva, Bosch, Festo or mytaxi. Though the aims of each of the works in this exhibition are different-from a demand for political representation to the materialization of an otherwise ephemeral moment-the artists in Limited Visibility draw our attention to the omitted, giving it a kind of determination or persistence that is hard to ignore.

Land Use Law and Disability: Planning and Zoning for Accessible Communities (Cambridge Disability Law and Policy Series)

An evaluation of the management system finds that it is capable of protecting and enhancing the resource base, while providing higher economic returns in a sustainable manner.
