In addition, the camera now exactly fit my Minolta bellows system, and with a Rodenstock 50MM or Nikon 65MM enlarger lens on the front and a Beseler dichroic colorhead as a light source, became a slide and negative converter capable of not only handling the full frame of 35mm slides and negatives, but also the medium format negatives my wedding photographer had given to me when he retired. But obviously, Clinton has to submit to questions from the press every now and then, and Keilar was first-up to secure that opportunity.

## **Shadows of War**

I developed this system in and have since named it My-Learning.
