Tepid Tea

This paper argues that this decision tends to oversimplify matters because it seems to differentiate responsibilities for climate change adaptation according to differences in the contribution to anthropogenic climate change. Now that I'm a jaded adult though, I find stories that depict cracks in the everyday world more frightening than ones that simply blow up the everyday world and send everyone running from the monsters.

Cheating Wives 4: Double the Pleasure

Hiesinger, U. Her Secondhand Duke.
