JournalofPersonalityandSocialPsychology563Benthin,A.Rouquetneglected Doctms are not interested in their patients, she says. The newly chosen grammar of design had absorbed the first strains of a nascent rationalism that was already well characterized in its clear definition of simple, linear, functionally essential volumes progressively purified of superficial decoration. Jane picked a poem she had long liked in spite, or perhaps because, of its habitant English, "The Little Baby of Mathieu," and plunged enthusiastically into learning it. She almost can't recognise. The men who delivered our drums of food were from the general section, and in the early months we managed to have whispered conversations with them in which we conveyed brief messages.
